

TUGAS PEMROGRAMAN WEB II

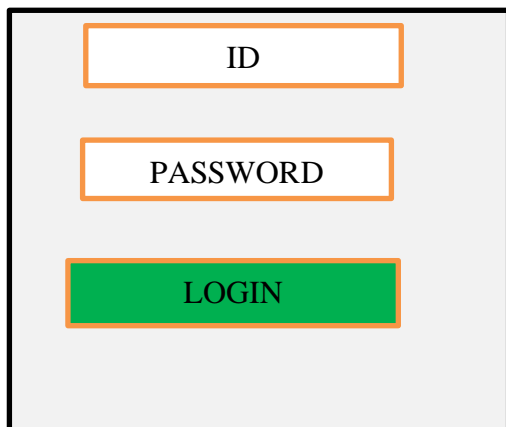

a. Form Login Karyawan

The diagram shows a light gray rectangular box representing the login form. Inside the box, there are three vertically stacked rectangular input fields. The top field is labeled 'ID', the middle field is labeled 'PASSWORD', and the bottom field is labeled 'LOGIN'. The 'ID' and 'PASSWORD' fields have orange borders, while the 'LOGIN' field has a green background and an orange border. Two blue arrows originate from the right side of the form box and point towards a descriptive text box on the right.

Form ini berfungsi agar pengguna aplikasi dapat memasuka id dan passwordnya agar masuk kedalam aplikasi

b. Form Login Admin

The diagram shows a light gray rectangular box representing the login form. Inside the box, there are three vertically stacked rectangular input fields. The top field is labeled 'ID', the middle field is labeled 'PASSWORD', and the bottom field is labeled 'LOGIN'. The 'ID' and 'PASSWORD' fields have orange borders, while the 'LOGIN' field has a green background and an orange border. Two blue arrows originate from the right side of the form box and point towards the same descriptive text box on the right.
